

## Chemistry Department Head, Assistant Professor of Chemistry

Starting Date:

Mid-August 2020

Qualifications:

Ph.D. in Chemistry

Responsibilities:

Judson College, a private women's college of arts, sciences, and professional studies in Marion, Alabama, seeks a Department Head in Chemistry. The Department Head, who will also hold the title of Assistant Professor of Chemistry or Associate Professor of Chemistry, teaches all courses for a major in chemistry, including organic chemistry, general chemistry, quantitative analysis, and physical chemistry. Teaching duties will include both lecture and laboratory for each course. Additional duties include advising for chemistry majors and leading undergraduate research projects for a few selected chemistry and biology majors.

The individual employed in this position will be expected to fulfill all responsibilities as a department head and full-time faculty member as stipulated in the [Judson College Faculty Handbook](#) and as stated in the employment contract, and he or she will also support the Christian mission of the College.

Persons interested in applying for this position should forward electronic copies of a cover letter, CV with a list of three references, and unofficial graduate transcripts to Stacey Parham, Interim Academic Dean at the following address:

**Stacey G. Parham, PhD**

Interim Academic Dean

Judson College

302 Bibb Street

Marion, AL 36756

E-mail: [sparham@judson.edu](mailto:sparham@judson.edu)

Parties seeking more information about the position may also contact Dr. Ray Price, Head of Mathematics Department & Chair of Science Division (334-683-5205; [rprice@judson.edu](mailto:rprice@judson.edu)).

Judson College, situated in the Baptist tradition, was founded in 1838. Judson is the nation's fifth oldest women's college and the only women's college in the Council for Christian Colleges and Universities.

Review of materials will begin immediately and continue until the position is filled. Judson College does not unlawfully discriminate in its employment practices on the basis of race, religion, national origin, sex, disability, or age. Benefits include: 403(b) retirement plan, health and dental insurance, long-term disability, life insurance, and available supplemental insurance currently through AFLAC.
