ASB Abstract Submission Information

Please **gather all the information listed below before initiating your ASB abstract submission** so that you can begin and conclude your submission at the same time. If you do not conclude your abstract submission when you initiate your submission, please use the link in the Submission Initiated email from sebiologists@confex.com to resume your submission at a later date. Please do not initiate a new submission at a later date.

Lightning Talks

You will need to enter all of the following information in your ASB abstract submission for a lightning talk.

1. Title
2. Submitter's Email Address
3. Abstract Text (300 words maximum)
4. Author Information (for presenting and contributing authors) – first name, last name, email address, position, willing to serve as a session moderator (yes/no), willing to serve as a judge (not applicable to undergraduate and graduate students), affiliation (with city, state, zip code, and country)
5. Additional comments

Poster and Oral Presentations

You will need to enter all of the following information in your ASB abstract submission for a poster presentation or oral presentation.

1. Title
2. Submitter's Email Address
3. Primary and Secondary Topics (see list below)
4. If you would like to apply for an award
5. Abstract Text (300 words maximum)
6. Author Information (for presenting and contributing authors) – first name, last name, email address, position, willing to serve as a session moderator (yes/no), willing to serve as a judge (not applicable to undergraduate and graduate students), affiliation (with city, state, zip code, and country)
7. Award(s) you would like to apply for (if applicable; see list below)
8. Award justification (if applicable; 100 words maximum per award)
9. Additional comments - please indicate if you are an author on more than one abstract or are only able to attend a portion of the meeting; we will do our best to accommodate any scheduling constraints, but we cannot make any scheduling guarantees

<u>Primary and Secondary Topics</u>

- Anatomy and Physiology
- Animals: Behavior
- Animals: Entomology/ Invertebrates/Parasitology
- Animals: Herpetology
- Cell and Molecular Biology
- Conservation Genetics

- Developmental Biology
- Ecology: Climate
- Ecology: Communities
- Ecology: Conservation
- Ecology: Ecosystems and Landscapes
- Ecology: Freshwater
- Ecology: Marine
- Ecology: Physiology
- Ecology: Populations
- Evolution
- Genetics
- Microbiology
- Mycology and Lichenology
- Plant Collections and Herbaria
- Plant Floristics
- Plant Physiology
- Plant Systematics
- Scholarship of Teaching and Learning

Awards for Poster Presentations

- ASB Student Poster Presentation Award: Cell and Molecular Biology
- ASB Student Poster Presentation Award: Aquatic Biology
- ASB Student Poster Presentation Award: Animal Biology
- ASB Student Poster Presentation Award: The Dr. Floyd Scott Award in Herpetology
- ASB Student Poster Presentation Award: Microbiology
- ESA Elise Quaterman-Catherine Keever Award
- SABS Outstanding Student Poster Presentation Award
- Southeastern Section of the Botanical Society of America - Outstanding Student Poster Presentation Award

Awards for Oral Presentations

- ASB Research Award (requires additional information, including a completed manuscript; deadline to apply is December 10)
- ASB Student Research Award (requires additional information, including a completed manuscript; deadline to apply is December 10)
- ASB Student Oral Presentation Award: Cell and Molecular Biology
- ASB Student Oral Presentation Award: Aquatic Biology
- ASB Student Oral Presentation Award: Animal Biology
- ASB Student Oral Presentation Award: The Dr. Floyd Scott Award in Herpetology
- ASB Student Oral Presentation Award: Microbiology
- ESA Eugene P. Odum Award
- North Carolina Botanical Garden
- SABS Outstanding Student Poster Presentation Award
- Southeastern Section of the Botanical Society of America - Outstanding Student Poster Presentation Award
