

## **STETSON UNIVERSITY**

### **COLLEGE OF ARTS AND SCIENCES**

#### **Visiting Assistant Professor of Biology**

#### **POSITION:**

The Department of Biology at Stetson University invites applications for the position of Visiting Assistant Professor for the 2023-24 academic year. This 9-month, non-tenure-track position is annually renewable.

#### **QUALIFICATIONS:**

A Ph.D. in a biological science and evidence of strong teaching skills are required. Candidates with expertise in teaching introductory biology for science majors are particularly encouraged to apply.

#### **RESPONSIBILITIES:**

The new colleague will be expected to teach four units per semester made up of introductory biology lectures and labs for science majors as well as a science course for non-science majors and its associated lab.

For more information on our expectations in teaching and our support for faculty development, please see the Academic Affairs website:

#### **THE DEPARTMENT:**

The Biology Department consists of ten tenured or tenure-track full-time faculty members with areas of expertise in molecular biology, genetics, physiology, plant ecology, neurobiology, cancer biology, microbiology, and aquatic and terrestrial ecology (<http://www.stetson.edu/other/academics/programs/biology.php>). We emphasize small classes and investigative research in and out of the classroom. For examples of collaborative research with students across the University, see "Stetson Showcase" at <http://www.stetson.edu/other/research/showcase.php>.

#### **THE COLLEGE OF ARTS AND SCIENCES:**

Stetson's College of Arts and Sciences (<http://www.stetson.edu/portal/artsci/>) is the largest and most diverse of the University's colleges and schools. With nineteen academic departments and nine interdisciplinary programs, the College is the liberal arts core of the University; it includes the humanities, social sciences, natural sciences, education, and creative arts. A great strength of the College is its faculty of approximately 140 full-time teacher-scholars. The College offers 31 undergraduate majors and 34 undergraduate minors; six graduate degrees are offered in Education, Counselor Education, and Creative Writing. Every undergraduate major requires a senior research project, giving students the opportunity to design and carry out independent research under faculty mentorship. Our academic programs are shaped by the values of social justice and civic responsibility.

All of our courses and programs of study promote engaged learning, whereby students create connections between the classroom or lab and the local, regional, and global community. The academic programs of the College of Arts and Sciences prepare students to live significant lives, to interact with and positively affect the world around them.

**THE UNIVERSITY:**

Founded in 1883, Stetson University (<http://www.stetson.edu>) is a private, selective university comprised of a rich array of liberal arts and professional academic programs. Collectively, Stetson's faculty works with nearly 4,000 students in undergraduate, graduate, and professional programs. The University's historic main campus, located in DeLand, enrolls more than 2,600 students in undergraduate programs in the College of Arts & Sciences, the School of Business Administration, and the School of Music. Stetson University College of Law, Florida's first law school, moved from the main campus to Gulfport in 1954, and, with the addition of the Tampa Law Center, serves approximately 1,000 students working full-time or part-time toward J.D. or LL.M. degrees. Graduate programs offered include Business, Accounting, Educational Leadership, Counseling, and Creative Writing. Florida's oldest private institution of higher learning, Stetson has regularly been ranked among the best regional universities in the Southeast and was the first private college in Florida to be granted a chapter of Phi Beta Kappa.

Stetson University provides an inspiring education that engages students with rigorous academic and creative study grounded in liberal learning and promotes civic values of personal and social responsibility. Working closely with faculty and with one another, students cultivate abilities to explore issues deeply, think critically, reason empirically, speak persuasively, and connect ideas creatively. Firmly committed to inclusive excellence, our vibrant community of teacher-scholars nurtures the potential of individual students to lead lives of significance and prepares each to meet the challenges of shaping the future—locally, nationally, and globally.

**THE COMMUNITY:**

DeLand is a picturesque residential community of 32,000 located 20 miles west of Daytona Beach and 35 miles northeast of Orlando. The area offers extensive cultural as well as recreational activities.

**SALARY:**

Salary is competitive.
